

**Dog obedience classes now being held by BAC Training Academy, for the beginner through advanced. Classes are for the person who just wants a well-mannered pet, earn their CGC, become a therapy dog, service dog or for the person who is interested in competing.**

**Next session starting:**

**(Check website)**

**(Orientation Only)**

**Class Time is 6:30 P.M.**

**Novice**

This class is for owner/dog team that is just starting and wants to gain control of the dog. This is where all behavioral problems are addressed. This class allows the owner to get a better understanding of dog behavior and why dogs do what we think are unacceptable.

The beginner class is for all breeds and mixed breeds **16 weeks and over**

**Classes are 6 sessions with the first session being orientation.**

**NO DOGS AT ORIENTATION NIGHT**

**Cost is \$100.00 for the six sessions.**

**Advanced Novice**

This class is for the owner /dog team that has completed a beginner course and wants to practice handling skills and getting ready for the show ring as well as socializing the dog with other dogs and people.

Advanced classes. **Check calendar on website.**

**Open/ Utility Class**

These classes are for the dog that has completed the novice classes and is ready to do retrieving, jumping and scent discrimination.

Open / Utility classes are the **same as Advanced Novice schedule**

**Nose Work**

This class is for learning scent discrimination and learning to identify specific scents
